Questions about the Green Bin Program?

Parksville, BC – The Regional District of Nanaimo is offering information presentations on the new green bin program. Two sessions will be held for Parksville residents on Thursday, November 24 from 3.30 pm to 5.00 pm and from 6.30 to 8 pm at the Parkville Community & Conference Centre, 132 Jensen Avenue East, Parksville.

Residents should plan to attend if they have questions about green bin food and kitchen waste collection, wish to learn more about the green bin program or missed the open houses held in September.

The new green bin program is a partnership of the Regional District of Nanaimo and its member municipalities - Nanaimo, Lantzville, Parksville and Qualicum Beach.

For more information on the green bin program and to view a how-to video visit www.beyondcomposting.ca or contact the Regional District of Nanaimo, Solid Waste Services at 250 954-3792.
