

City Appoints Manager of Engineering

The City of Parksville is pleased to announce that Vaughn Figueira, P Eng, is the City's new Manager of Engineering, effective January 4, 2011. This is an existing position that has been vacant since December 2009.

Vaughn is a senior civil engineer with more than twenty years experience specializing in municipal engineering. The majority of his career has been with regional and municipal governments with significant private industry experience as well. Vaughn joined the City of Vancouver in 1999, assigned to the sewers design branch. As senior engineer (civil engineer II), he has had responsibility for planning, budgeting, costing, tendering, management and design. Vaughn received a Bachelor of Science degree in civil engineering from the University of Calgary.

Vaughn's office is located in the City's public works building, 1116 Herring Gull Way in the Industrial Park.
