

Emergency preparedness guidebooks available from City

Were you desperately hunting for a flashlight when your power went out during Monday's storm? What would you do if drinking water had been contaminated by flooding?

Our wild weather is a good reminder to have your emergency preparedness kits in place. If you're not sure where to start, drop by City Hall and pick up a FREE emergency preparedness guidebook. It will walk you through the steps to prepare yourself, your home and your family for an emergency.

Grab your emergency preparedness guide from City Hall and be ready for almost anything... except maybe zombies. And you can get your zombie preparedness plan from Emergency Info BC here: <http://www.emergencyinfobc.gov.bc.ca/zombie-preparedness-week-are-you-ready.html>.

City of Parksville emergency preparedness information:
