

## Celebrate Parksville with Global New Hour Team on September 25

The arrival next Wednesday, September 25 of the Global BC News Hour team to broadcast from the waterfront gazebo in the Community Park is a chance for us to showcase Parksville to Global BC viewers and to celebrate our City.

The crew will set up during the day and the team of Chris Gailus, Squire Barnes and Kristi Gordon will host segments for *BC 1* and the *Early News* prior to the *News Hour* at 6 pm and also be available to sign autographs.

The Parksville Lions Club, an integral part of the Community Park, will be on hand to serve light refreshments, free to the public from 4.30 to 7.30 pm.

Everyone is invited, rain or shine to come to the Community Park, meet the Global BC crew, watch the broadcast and join in the celebration. We'd love for the biggest crowd on Vancouver Island to be in Parksville!

Five communities on Vancouver Island will be featured during the week of September 23 including Port Hardy, Comox, Duncan and Tofino as well.
