

JOB POSTING ENGINEERING TECHNOLOGISTS II & III

POSTING #: 23-24
STATUS: **Permanent**, Full-time, Multiple Openings
WAGE RATE: \$39.70 - \$43.09 per hour (2022 rates)
HOURS OF WORK: 35-hour work week
WORK SCHEDULE: Monday to Friday – 8 am – 4 pm

The City of Parksville is located on the traditional territory of the Coast Salish Nations, home to the Snaw-Naw-As First Nation and the Qualicum First Nation.

The City of Parksville is an active community of urban professionals, families with young children, and retirees who have chosen to live in our community for a quality of life and the region's inspiring natural environment. Nestled on Vancouver Island's east coast, 13,000 residents call Parksville home. We are committed to being the city of choice for ourselves, our employees and future generations to come.

Job Summary

Reporting to the Manager of Infrastructure, these are technical positions involving both office and field assignments related to municipal civil engineering projects. **See job description(s) for full details.**

Required Qualifications

Diploma of Civil Engineering Technology

Possession of a valid B.C. Drivers Licence and good driving record

Eligibility for membership in the Applied Science Technologists and Technicians of British Columbia as an Applied Science Technologist

Four (4) years practical related experience in the municipal engineering field

OR an equivalent combination of training and experience may be considered.

See job description(s) for full details.

This is a CUPE Local 401 Position.

Candidates must be able to legally work in Canada to be considered.

Interested candidates are invited to submit a cover letter and resume to HR@parksville.ca. Please include the job posting / title in the subject line. This opportunity will remain open until filled.

The City of Parksville thanks you for your interest and regrets that only candidates selected for an interview will be contacted.
